Dear Coach, Parent and Wrestler,

Greetings from Bruce Baumgartner and Tim Flynn, directors of the World Class Wrestling Camp and Heavyweight School.

The Fighting Scot wrestling team had another outstanding year. A ninth place finish in the 2007 NCAA Championships, 17-1 dual meet record, winning the Virginia Duals, the PSAC and EWL Championships. We had three All-Americans and a National Champion. This follows the unprecedented success of the 2006-2007 season; undefeated dual meet record and an eight-place finish at the 2006 NCAA Championships.

As you make your summer wrestling plans, we would like to encourage you to consider sending your wrestlers or team to our camp. You can surround your kids with successful wrestlers and coaches. Please see the web site for additional details concerning the multiple camp offerings and special discount prices. A Splash Lagoon Water Park offer is available to all teams and campers that attend this year's wrestling camps.

Below is a list of reasons to attend the Bruce Baumgartner World Class Wrestling Camp and Heavyweight School Camp system.

- **Great camp with quality staff:** The very best high school and college coaches along with elite athletes and current college wrestlers who will work with your wrestlers and/or team. Approximately 12-1 camper to staff ratio.
- **Reasonably priced:** Our technique and team camps are affordably priced with one of the largest team discounts available.
- **Full Service Camps:** Our Heavyweight Camps, the Fighting Scot Training Camp, Technique Camps, Takedown and Turn and Team Camps provide the ability for you to provide your wrestler a camp that meets their skill and ability.
- **Proven results:** Wrestlers and teams that have attended our camps have won numerous state championships, placed at state championships, went to college on wrestling scholarships, qualified for NCAA championships, and even won NCAA championships!
- **Safe, friendly environment:** The camps are hosted on the rural campus of Edinboro University with Tim Flynn and Bruce Baumgartner present each day to provide supervision.
- **Support wrestling:** Proceeds from the camp will help keep the Edinboro University Wrestling Team strong.
- **Special discounts available at Splash Lagoon Water Park** for all campers (see web site for details). Each camper, coach or family member can purchase a 4-hour pass for \$14.95 or a hotel room package for one room and 4 park passes for \$119. A great opportunity for a team building activity or just a little fun

We are very proud of our camp. Our goal is to help your wrestler(s) gain the skills they need to be a successful wrestler. If you have any questions, please contact Tim Flynn at 814-732-1856 (tflynn@edinboro.edu) or Bruce Baumgartner at 814-732-1823 (bbaumgartner@edinboro.edu).

Yours in Wrestling,

Bruce R. Baumgartner
Olympic and World Champion
